## Understanding British Values Together

### What are British Values?

British Values are a set of principles that help us live together harmoniously in a diverse society. At Wingrove Primary School, these values support our vision of kindness, inclusion, and respect for everyone.

### The Five Key British Values

#### 1. Democracy

- Everyone's voice matters. Pupils learn how to express their opinions and listen to others respectfully.
- At Wingrove, we encourage children to take part in decisions, like voting for school council members.

#### 2. The Rule of Law

- Rules help keep us safe and happy. Pupils understand why rules exist and the importance of following them.
- Our Seven Golden Promises reflect this value, encouraging care, respect, and responsibility.

#### 3. Individual Liberty

- Pupils have the freedom to make choices and learn about their rights and responsibilities.
- We celebrate each child's unique background and encourage them to be confident and independent.

#### 4. Mutual Respect

- Respecting others, even if they are different from us, is vital.
- Our school community embraces over 30 languages and cultures, showing kindness and understanding every day.

#### 5. Acceptance of Those with Different Faiths and Beliefs

- We learn about and appreciate different religions and cultures.
- This helps pupils develop empathy and prepare to live in a diverse world.

## How We Live These Values at Wingrove

- **Inclusive Curriculum:** Our lessons include stories, histories, and celebrations from many cultures.
- **Our Seven Golden Promises:** These guide behaviour and attitudes, promoting kindness and standing up for others.
- **Community Events:** We invite families to share their cultures and traditions, building understanding and friendship.
- **Supporting Everyone:** We ensure all pupils, including those with SEND and EAL needs, feel valued and included.

## How You Can Support British Values at Home

- Talk about fairness, respect, and kindness with your child.
- Encourage them to listen to others and share their opinions respectfully.
- Celebrate your family's culture and learn about others.
- Support your child in understanding and following rules at home and school.
- 

**Wingrove Primary School – where everyone is different, everyone is unique, and everyone is welcome as long as they are kind.**
