### Our topics

Our topics this term are:  
Penguins  
Winter

### **Outdoor Curriculum**

At Nursery we go outside every day, despite the weather, to play, learn and explore with our friends. Please make sure your child has the appropriate clothing for nursery. As the weather can be very cold, please ensure that your child has a winter coat, hat and gloves with them every day.

We go to Forest School so please provide your child with a pair of Wellington boots if you have not already done so.

Please label your child's clothing with their name.

### **Organisation**

Morning Nursery: 8.45am – 11.45am

Afternoon Nursery: 12:30pm – 3:30pm

- Children must be accompanied **into** the nursery and collected from the nursery by an adult.
- Children are not allowed to bring sweets or toys to school.
- Children will be offered fruit, milk and water every day.
- Children must wear their school uniform every day.

### **Working together**

We really want **you** to contribute in the assessment of your child. We are using Tapestry now and everyone can have access to see what their child has been doing. We welcome you to have a look and add your own pictures and comments to show us things your child has been doing at home.

Please come and see us if you are having any issues accessing your account.

If your child is really interested in a particular topic please let us know so we can plan activities that are based around the interests of the child.

By working together we can give your child a much better start to their school life.

### **Reading sessions**

Our daily reading sessions have been so successful. It is lovely to see so many of you coming into nursery, choosing a book with your child and then reading together at home. Please continue to come in on your allocated day each week.

Thank you for your support.
