Homework

Children should bring their reading folders into school **every day**. Please ensure their reading book and reading record are in the folder so we can change your child's book. Please practise reading with your child a little every day as this will really help them develop their confidence and fluency in reading.

Mathletics tasks are set every Friday linked to the learning in maths. Please support your child, helping them to log on and access the homework. Please see class teachers if you need help with passwords.

Phonic Screening Check

Children in year one will be completing the phonics screening check with the class teacher during the week beginning the 6th June. We are holding a meeting for parents to attend at 9am on Wednesday 4th May to find out more. We hope to see you then.
