

LEGO CODING

AT FENHAM LIBRARY

FRIDAYS 3:45PM

Using your Lego building and coding skills, create a fairground ride and then make it move. Can you make it go faster or slower? Can you add fun sounds?

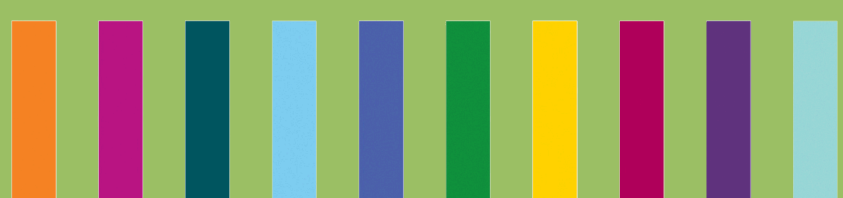

These Lego workshops take place over four weeks. You can book for any number of sessions but the more you attend, the more advanced your skills will become!

Suitable for ages 6 and up.

**STARTS FRIDAY 7
NOVEMBER**
