Seesaw tasks may direct you to Purple Mash, Mathletics or Charanga.

Please upload pictures of anything extra you do to Seesaw. We always love to see your lovely faces and what you have been up to.

Even though the guideline from the government is to stay inside, one piece of outdoor exercise a day is allowed. Many people are choosing a quiet time in the day to go on a family walk.

Enjoy some family time together eg gardening, baking, playing a board game or going for a safe walk.
