

## What we are covering this term:

**Literacy:** Talk for Writing; non-chronological reports; recounts; modern fiction; and books from our Literary Heritage

**Maths:** Angles, Shape, Measures

**Science:** Friction and Resistance

**Creative Curriculum:** Our Foundation Subjects will be inter-woven into our topic question:  
“Did the Ancients unlock the secrets of the Universe?”

Our class novel in Term 3 will be  
Wonder by R.J Palacio

## Resources needed from home:

Please read regularly with your child at home. Frequent and enjoyable sessions with you, where you check your child understands the events in the story, will make a significant difference to their long term development.

If you have any questions or concerns, please do not hesitate to talk to us on the school yard at 3.15 pm or make an appointment at the office.

Thank you for your continued support.

## Homework

Frequent reading for pleasure and understanding is an essential homework and has long-term benefits: new language, enhanced comprehension and improving ideas for writing in school are some of the benefits.

Homework is project-based and will be linked to our creative curriculum questions. They may require children to research a topic and then present their findings. Children are encouraged to take pride in the presentation of their homework. It should be well-presented. Children usually have 2-3 weeks to complete project tasks.

In addition, we also expect the children to practise spellings and multiplication tables at home, on a regular basis.

**If your child is a free reader here are some suggested authors:**  
**Michael Morpurgo, Clive King, Elizabeth Laird, Beverly Naidoo, Anne Fine, Malorie Blackman, Phillip Pullman.**
