

Coucou les amis !

*Hello my friends !*

Je m'appelle Nestor, je suis français !

*My name is Nestor, I am french !*

Les petits élèves de ma classe aimeraient savoir comment vivent les petits anglais, et ils m'ont demandé d'aller passer quelques mois avec vous pour leur raconter mes expériences !

*The children of the class where I come from would like to learn about the life of english children and they ask me to go and spend a couple of months with you, in order for me to tell them more about you !*

Je serai donc bientôt chez vous ! Je suis tellement excité par cette aventure !

*So, I'll be soon with you ! I am so excited about it !*

A bientôt donc !

*See you soon !*

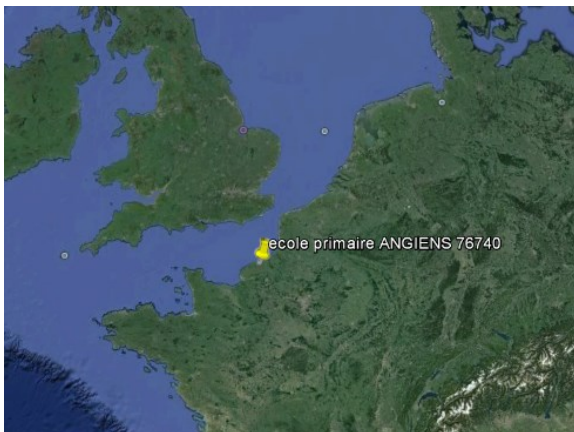

Before leaving, I am giving you some information about my class .

We live in Normandy, in small villages : ANGIENS, ERMENOUVILLE, HOUDE-TOT, BOURVILLE.

Each village has one school with one class only. Each class teach a double level.

My class teaches 6/7 years old.

The children travel from on village to another by schoolbus. Our class is in AN-GIENS. There are 24 children in my class .
