

13th September 2021

Dear Parent / Carer,

You know how important your choice of secondary school is for your child's success. Our ideal starting point is that every pupil comes from a family who has positively chosen Kenton, because both child and family will start with commitment and confidence.

Good choices are based on good information, you and your child are invited to our Open Evening for Prospective Parents on Tuesday 21st September at 6 p.m.

We will do our best to answer all the questions you have about Kenton and how we can meet your child's needs and ambitions.

The requirement to wear face coverings has been lifted. However, the government expects and recommends that people wear face coverings in crowded areas. Due to the high number of positive cases in Newcastle, we would ask all parents to wear a face covering when in the school building and maintain social distancing wherever possible to keep students, staff and parents safe. In addition, if you have any symptoms of covid-19 then please do not attend.

We look forward to meeting you soon.

Yours faithfully,

S Holmes-Carne
